Special Session Call for Papers
IEAAIE2015 Special Session on
Machine Learning Algorithms and Their Applications

<p>Special Session Organizer:</p> <p>Yongdai Kim Department of Statistics, Seoul National University, Korea E-mail: ydkim0903@gmail.com</p>	<p>Introduction/Call for Papers</p> <p>Machine learning algorithms have received much attention these days and areas of applications have been extending significantly. To share current edges of algorithms, optimizations and applications of machine learning, this special session invites worldwide research scholars to present their contributions in (but not limited)</p> <p>High dimensional regression methods Supervised learning algorithms Semi/unsupervised algorithms Bayesian machine learning techniques Graph theory and network analysis Ensemble methods Deep learning and neural learning Large margin and kernel methods Learning theory Reinforcement learning and online learning</p> <p>Submission Important Dates</p> <p>Jan. 16, 2015: Abstract submission due. Feb. 6, 2015: Notification of acceptance. Mar. 6, 2015 : Camera-ready form due</p> <p>For further information, please contact Dr. Yongdai Kim, ydkim0903@gmail.com.</p>
